### Thy Word is a Lamp unto My Feet

**“Thy word is a lamp unto my feet, and a light unto my path.” - Psalm 119:105**

This year’s theme stresses the importance of God’s word in every aspect of our lives. The 119th Psalm is dedicated to its importance, and provides much needed practical advice regarding the usefulness of His word.

The Sunday morning sermons during January will come from this text.

We have just completed the reading out loud of the entire word of God at the building for the first time. What an incredible way to begin 2017! A very special “Thank You” to all who participated in this year’s reading!

Sunday evening lessons will be a survey of all 66 books of the Bible. Beginning with Genesis, we look forward to learning more of the different books, such as author, date, place, etc., plus a lesson of application from each.

Beginning in March, our Wednesday adult class

will be on "How to Study the Bible." We all know that we **should** study the Bible, but knowing **how** can sometimes be difficult. The class will not only focus upon methods, but will with each method involve the application of the techniques learned in class. It is my hope and prayer that all will take advantage of this very important opportunity.

The New Year brings about the opportunity for renewed efforts in many personal areas of life - why not make your relationship with God our Father and His Son Jesus Christ through His Holy Spirit inspired word first on that list?

Mark
