Help Us, Lord

Attitude is everything - just ask someone how they are doing and observe how their circumstances are reflected in their attitude. We cannot necessarily control our circumstances, but we can and should always control our attitudes. Consider the following poem by Grace Lowery:

Dear Lord, when I am prone to say
 Unkind words that cause dismay
 Or criticize the way -
 Help me to say...nothing.

When I feel anxious to complain
 Or cause another grief and pain;
 Or suffer loss when others gain -
 Help me to say...nothing.

When I would frown, help me to smile.
 Give strength to walk the second mile.
 Teach me to practice self-denial -
 And when to say...nothing.

May we always seek His strength to live this life as He would have us to live.

“Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things.” - Philippians 4:8
