## The More Things Change...

The year of our Lord, 1923, saw some notable births and events in U.S. history:

- Norman Mailer, writer (1-31)
  - Chuck Yeager, test pilot, 1<sup>st</sup> to break the sound barrier (2-13)
  - Bob Dole, US Senator (Kansas), presidential candidate (7-22)
  - Rocky Marciano, world champion boxer (9-1)
  - Hank Williams, singer/song writer (9-17)
  - Charlton Heston, actor, activist (10-4)
  - Alan Shepard, astronaut, 1<sup>st</sup> American in space (11-18)
  - Bob Barker, *The Price is Right* host, animal activist (12-12)
  - General George Patton, US Army, WWI and WWII veteran (12-24)
- Warren G. Harding was President until his death on August

2<sup>nd</sup>, followed by Calvin Coolidge. Yankee Stadium opened its doors in the Bronx April 18<sup>th</sup>. The Walt Disney Company is founded October 16<sup>th</sup>.

On August 30<sup>th</sup>, our dear brother, Norm Mellick, was born in South Dakota. His family moved to Washington by covered wagon a few years later. He married his beloved Helen on February 4, 1946, and he departed this life on Wednesday morning, February 3<sup>rd</sup>, the day before their 75<sup>th</sup> anniversary.

Many drastic changes have occurred since 1923, some even brought about by the folks listed above. Technology, entertainment, sports, and the like have evolved significantly in the past 97+ years.

One thing hasn't changed, however... our need for redemption through the blood of Jesus Christ. We are grateful to God for providing us the opportunity for salvation (John 3:16). And we are ever so thankful during times like this past week when our dear loved ones depart this life with the benefit of the blood of the Lamb who takes away the sin of the world (John 1:29)!

The more things change, the more we need Christ!

Mark
