“Then Jesus said to those Jews who believed Him, ‘If you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.’”- John 8:31-32

In the above referenced verse, Jesus is explaining to those present (and by extension, others who would hear/read these words) what it means to be a true disciple. We often toss around the idea of discipleship without fully understanding what that means.

Initially, it is important to note that Jesus' words here are directed to “those Jews who believed Him.” He had just spoken of His impending crucifixion, as well as the abiding presence of the Father in every aspect of His life. Through these words, Jesus is seeking to draw those who believed into an abiding relationship with Him.

To “abide in My word” is to remain in the word of Christ by making it the rule of your life. In other words, abiding in the word is **obeying** the words of Jesus. This is what makes one a true disciple of Jesus and leads one to the saving knowledge of the truth. rule our lives! His words now dominate the heart, soul, mind, and strength of the true disciple.

A disciple then is one who is not only learning from a teacher, but is also closely following that teacher. Therefore, Jesus' true disciples not only learn from Him, but closely follow Him through each segment of their lives, experiencing the amazing freedom of being in Him.

Come, let us learn and grow together.
