## March 5, 2023

### God's Continued Grace

Everyone needs a friend they can turn to, someone who will be there to celebrate the good and help through the difficult times. For many of us, someone immediately comes to mind.

This is the kind of relationship we can have with the Lord. He is there no matter what. One of the greatest blessings we have in Christ is the privilege of being able to turn to Him when we need help. Our Lord sympathizes with us when we struggle as one who understands, as one who dealt with the same hardships. "Therefore let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need" (Heb. 4:16, NASB). Grace is not something we received only once from God when we obeyed the

gospel. We receive His grace over and over as His children when we turn to Him for help. He loves us even though we don't deserve it and stands ready to help continuously.

We all deal with difficult situations and struggle at times. In addition to turning to our friends and family here, let's remember that our Creator and Lord stands ready to answer when we call out to Him.
