Improving the Church

Like any functioning being, the church has room for improvement. Consider the following suggestions:

- Tell yourself that since you are not perfect, you would not fit into a perfect church.
- Pick out the sincere, dedicated, spiritual members and thank God for them.
- Whether you are old or young, treat the young with the consideration you desired as a young person, and treat the older with the respect you will want when you are older.
- Never, never blame others for your own failures. Every individual can be fruitful in spite of the bad examples and discouraging attitudes of others.
- Remind yourself every day that the only way to improve the church is to begin with yourself.
- Strive to increase your associates in the church.

- When you are tempted to criticize others, pray for them FAST. This may not only change them, but it will do wonders for your attitude.
- Ask yourself, “Am I part of the problem or part of the solution?”
- ARE YOU HELPING OR HURTING THE CHURCH?
