Building Announcement from the Elders

One month ago, we asked for you to consider, pray, and provide feedback regarding the direction of the building program. Approximately 3/4 of the congregation's family units responded. We want to sincerely thank each of you who provided us with much needed feedback.

The clear majority of your responses were in favor of pursuing the 100% build.

We, the elders, have considered your suggestion, and will now begin to look at ways of bringing this to fruition.

This is both exciting and challenging, and we are determined to proceed with caution and faith.

We covet your prayers.

Bob, Chris, Gene, and Ken

1. If you don't feel well, please stay home. If you have been running a fever, please remain home until you are fever free 24 hours.
 2. Please avoid hand contact. Elbow bumps and sign language are most appropriate at this time.
 3. Alcohol-based hand sanitizers will be available at all entrances. Please feel free to use both when you come in and when you leave the building.
 4. Please cover your coughs and sneezes with tissue and then dispose of your tissues. Extra boxes of tissues will be set out around the auditorium.
 5. The communion bread will now be broken into bite size pieces to minimize many hands touching the bread.
