Faith Means Going When God Calls

Dorothy Gale once said "there is no place like home." There truly is something special about getting to spend time at home with those we love – especially after being away for a long time. In Hebrews 11:8 we learn that Abraham left his home when God told him "not knowing where he was going." This command included leaving behind his country, his relatives, and his father's household to go into the unknown. Abraham left behind everything he knew – he left his home because he trusted God.

While walking by faith can be scary at times because we do not know where God will lead us, the comforting thing is that God is always trustworthy to take care of those who follow Him. Sometimes it

means leaving behind things that are comfortable, like places or relationships, but God always provides for us when we faithfully follow in the steps of Jesus.

There is no way for us to know where a life of faith will lead, but we are called to be ready to follow. Living by faith means being ready to go whenever and wherever God calls. Are you ready?
