Applied Discipleship

"Trust in the LORD with all your heart and lean not on your own understanding. In all your ways acknowledge Him, and He will direct your path." – Proverbs 3:5-6

The world as we know it has changed over the last few weeks. Things beyond our control have impacted practically every aspect of life.

We have been studying discipleship for the last several months, and have taken time to examine what it is and what it looks like from a biblical point of view.

Because of the present distress, the time has come for us to trust the Lord, lean not on our own understanding, and apply the principles of discipleship as revealed by our God and King, Jesus

Christ. Though separated we may be, we are in a unique position to reset our priorities and model that for those around us. We are poised to show the world that faith can overcome fear. We have been called for such a time as this.

Come, let us learn and grow together.

 **Baby Bank Update:** The Baby Bank has been up and running about three months now and we have been blessed to help many families so far. Thank you for all your donations and prayers. We continue to need your kind donations in order to keep this ministry running. At this time we are in desperate need of girls' and boys' clothing, size 4T.

Please see John or Shannon Dacca to RSVP and prepay. **Please be aware this event may be postponed to a later date.**

 **Delano Bay Christian Camp Updates:** The Men's Breakfast for April is cancelled. The Teen Retreat has been moved to May 15th-17th and the Spring Work Day will be Saturday, May 16th. Be aware DBCC is monitoring the virus and may have to change these new dates. You can go to www.delanobay.org for more information and to check for any changes.

When this is over, may we never again take for granted...

A handshake with a stranger

Full shelves at the store

Conversations with neighbors

A crowded theatre

Friday night out

The taste of communion

A routine checkup

The school rush each morning

Coffee with a friend

The stadium roaring

Each deep breath

A boring Tuesday

Life itself.

When this ends, may we find that we have become more like the people we wanted to be and may we stay that way—better for each other because of the worst. -Unknown
