Your Greater Purpose

If there is anything that can be said about the congregation at Puyallup, it is that we know that Christians have been gifted by God for the work of the Kingdom. Sadly that is not the case everywhere.

From an article in 2009 the Barna group had this to say, "Two-thirds of Americans (68%) who say they are Christian noted they have heard of spiritual gifts, according to a national survey by The Barna Group. That represents a small decline from past surveys, which found 72% awareness in 2000, and 71% in 1995. Awareness of spiritual gifts was most common among self-described Christians who live in the South (75%) and West (71%), and least common among those living in the Midwest (63%) and Northeast (58%)."¹

Out of the *My Greater Purpose* seminars several of your ideas that were put on display; ministries that will help you realize your greater purpose for God's kingdom. I think the ideas are wonderful and they only begin to touch the hem of the garment in terms of what Puyallup can offer the Kingdom.

Pursuing your greater purpose allows some wonderful things to happen. This quest will help you to understand God's will for your life. It will also help you appreciate how the Spirit works through you and with you. In addition to those, it helps to reduce a common problem among Christians, serving out of duty, not because you have to but because you love to. Finding

your greater purpose will fill a deep inner need we have while accomplishing His purposes. (Heb. 13:20-21; James 1:5; Eph. 5:17; Rom 12:1, 2)

The ideas of your brothers and sisters have for different ministries will be on display. I hope everyone takes a look at them and gives prayerful consideration as to how you can fulfill your greater purpose. Either through a ministry already establish or perhaps even one started by you.
