Faith Gains God's Approval

In some way or another we all look to be approved of by those around us. As children we want our parents and friends to approve of us. When we get older this does not change, but we may look in different places.

Hebrews 11:2 tells us that it was by faith that "the men of old gained approval" (NASB). Throughout this great chapter on faith we read of those who God approved of because their faith moved them to obey God in extraordinary ways. Some even endured incredible hardships and persecution. Some were tortured, mocked, scourged, stoned, and even sawn in two for their faith. Although society looked at their faith and saw them as unfit, God's word tells us the opposite. These were "men of whom the world was not worthy" (Heb.

11:38 NASB). God's word tells us that it was society that was unfit for these faithful individuals. They had the approval of God because of their willingness to do whatever was necessary to be faithful and loyal to God.

Being faithful requires the same kind of loyalty to God that each of the people in Hebrews 11 demonstrated. We have to be faithful to obey Him when it is difficult and to endure whatever the world might throw at us. When we put the same kind of faith in God, we can trust that He will approve of us in the same way and that one day we will hear Him say the most wonderful thing we have ever heard – "Well Done!"
