Parenting Day

Mothers are the biggest influences in our lives, and perhaps the most enduring. It is good and right to remember them on special days like today!

As the world recognizes Mother's Day today, I ask you, what makes one a good mother or father? Is it the giving of basic material things (clothing, food, shelter)? Are these not from our heavenly Father (Matthew 6:25-32)?

Maybe it's giving your children an abundance of things (money, cars, video games, etc.). Yet some cannot afford to give these things. Does that make them worse parents than those who can?

We have many examples of parenting in the Bible: some good which we should emulate, some bad which we would do well to avoid. We also have many principles provided for us in the Scriptures regarding how to rear our children. Even so,

many of us choose to turn to Oprah and Dr. Phil (Dear Abby in days past) for “wisdom” and help with our parenting skills.

Should we not rather go to the One who created us and knows us better than we ourselves? Today, we will look the example of Lois and Eunice, godly women of influence in Timothy’s life.

What influence will you be today?

Mark

Family News

Caught Being the Tree: Two weeks ago at the 50th Anniversary Conference of Home (Health) Care Association of Washington, Denny Collins was surprised by being awarded Volunteer of the Year for his 17 years of faithfully volunteering at Ashley House, filling the roll of surrogate grandfather and moral advisor to Gilbert, a quadriplegic, and several other children. Gilbert was one when Denny began this journey with him. He is 18 now and Denny’s positive Christian influence and mentoring is evident in this young man’s life. It has been a rewarding labor of love for Denny.

Ladies’ Night Out: Ladies’ Night Out will be Monday, May 14th, 6:00 pm at BJ’s Restaurant on South Hill near the mall. All ladies are invited to join us for a fun evening of food and sister fellowship.

Graduating Seniors: Marcus Ebenstiner and Steven Konwent will be graduating from high school in June. Doug Sears will be graduating from SIBI. CJ Wilson has graduated from Harding University. We will be collecting money for their graduation gifts. Please give your donations to Carolyn McCaul or Sue Pedersen. We will be honoring them during the fellowship meal, June 3rd.

Financial Peace University: Never worry about money again! We will be conducting a Financial Peace University seminar Tuesdays, 6:30 - 8:30 pm, at the church building, starting May 15th. The cost for materials is \$100 per family and is due at the first meeting. Please RSVP to Anthony Wilson at anthony@wilsontech.com or 253-266-8436 as soon as possible so materials can be ordered. Please see Anthony or one of the elders if you need help paying for the class materials.
