### The Mind of Christ Understands We Cannot Lose

When the United States went into Iraq following the September 11 attacks no one was under the impression that we would be overpowered by a superior military or superior technology. While there were questions about how the war would turn out, everyone knew the United States had the superior firepower. Victory was expected.

Paul says that "to live is Christ and to die is gain" (Phil. 1:21, NIV). Paul wrote the letter to the Philippians while he was a prisoner with an uncertain fate. Instead of bemoaning his situation he realized that victory through Christ was guaranteed to him however his imprisonment turned out. He went on to say that "I am torn between the two: I desire to depart and be with Christ, which is better by far; but it is

more necessary for you that I remain in the body" (Phil. 1:23-24, NIV). Because of his standing in Christ Paul knew that he would either get to be with Christ or continue laboring for Christ.

There are a number of things that we may fear today as Christians. With each passing day it seems as though our culture and the laws passed are less friendly to the church. While this can cause concern, we can take comfort in the fact that we cannot lose as long as we remain faithful to Christ, His Word, His church, and His mission. Our things, our comfort, and even our life on this earth may be taken away. Our victory over sin and death through Jesus is assured as we remain faithful to Him.
