## **The Importance of "Today"**

*"LORD, make me to know my end, and what is the measure of my days, that I may know how frail I am."-  
Psalm 39:4*

The importance of "today" can never be overstated.  
Consider the following poem by Nixon Waterman:

What Have You Done Today?

We shall do much in the years to come,  
But what have we done today?  
We shall give our gold in princely sum,  
But what have we done today?

We shall lift the heart and shall dry the tear,  
We shall plant a hope in the place of fear,  
We shall speak the words of love and cheer;  
But what did we speak today?

We shall reap such joys in the by and by,  
But what have we sown today?  
We shall build mansions up in the sky,  
But what have we built today?

Oh, how sweet it is in fond dreams to bask,  
But right here and now we must do our task.  
Yes, this is the thing that our souls must ask,  
Just what have we done today?

If you are reading this, today is the only day you can know you will have. If you knew today was your last, how would you live it differently? Live that way today and every day!

Come, let us learn and grow together.

## Family News

**DBCC** Delano Bay Christian Camp (DBCC) needs some help! DBCC is raising money to cover the cost of major repairs to the commercial kitchen in the Granberg Lodge (the main lodge). While undertaking planned repairs on the kitchen, extensive damage caused by a hidden leak in the roof was discovered. The Granberg Lodge serves as the beating heart of the summer camp and retreat center. This special place allows for food to be prepared and served for up to 100 campers and also provides an indoor space for large devotionals and classes to be conducted. Much of DBCC's cash reserves were used to undertake the planned repairs, but now money

needs to be raised to cover the unexpected costs in order to keep the camp operating until next summer. You can find out more about this project and how you can get involved by visiting the DBCC website at [delanobay.org](http://delanobay.org). You can also get 25% off your overnight cabin rental when you sign up for one of the tasks on the work party list. You can learn more at the DBCC modified work party page.

Mountain States Children's Home is still doing the Change Can Campaign. They were hit hard by Covid-19 and lost some support. The Puyallup church gave a one time check of \$2,000 to them back in Spring. We are still giving a monthly donation to them as well, as one of the mission works we support, but they still could use our help. If you are able to help out, please consider asking for a change can to fill. You can let Carolyn or Shannon know that you would like a change can and we will see that you get one. Randy Schow, director of MSCH, will be adjusting his schedule and picking up change cans sometime in October.
