## Brotherly Love

**"Be kindly affectionate to one another with brotherly love, in honor giving preference to one another..."** (Romans 12:10). It can be quite difficult to give preference to others. In fact, we often save the best for ourselves and give our 'leftovers' to others.

God wants to teach us how to show brotherly love to one another. "But concerning brotherly love you have no need that I should write to you, for you yourselves are **taught by God** to love one another" (I Thessalonians 4:9). By His inspired word, God teaches us how to show brotherly love.

In II Peter 1:5-7, brotherly love (kindness) is the second to the last of the Christian graces mentioned that we are to add to our faith if we are to be fruitful as

Christians. This type of love is the fulfillment of the Lord's command, "Whatever you want me to do to you, do also to them..." (Matthew 7:12).

Of all the people in the world, Christians should be the ones leading the way in brotherly love, yet it is not always the case. We cannot change everyone's actions, but we can change our own. Why not be taught by God?

Come, let us learn and grow together.

Mark
