### Speak To One Another in Psalms, Hymns, and Spiritual Songs

Music is a powerful way to communicate. It has the power to invoke powerful emotional responses and to help us remember things we otherwise would forget. Music is part of every culture however primitive or advanced. The first thing many do when they get into their car is turn on their favorite music.

The Bible speaks of God's people singing and commands us to sing with purpose. "Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs with thankfulness in your hearts to God" (Col. 3:16, ESV). We sing both to one another and to God. Our singing helps us to learn the gospel message and helps us remember important truths. Many of us learned the books of the Bible or the fruit

of the Spirit through music. Our singing also thanks God for His goodness to us and praises Him.

We have the privilege every week of singing together as a church family, but we especially are privileged tonight to be joined by members of the Lord's church in other congregations for a night of singing. It will certainly be a blessing to all who participate, so let's all make plans to be here this evening to sing to one another and sing to God.

Tommy
