Be Faithful!

The comments below are from a wonderful and loving Christian brother who has dedicated his life to the sharing of God's love with the world. His words echo my own feelings towards the faithful.

Come, let us learn and grow together!

Mark

Those that are faithful demonstrate an attitude like Christ. Words are not adequate to express the deep appreciation, love, and respect I feel for the many faithful Christians scattered throughout the world.

You are the ones that support Bible classes, attend the services, teach others, and give to support good works. You are the ones who have strong commitments and avoid all the distractions of the world. You do not try to see how worldly you can be and still remain a Christian.

Your loving service to God and others is truly a blessing. Be faithful! Let's go to heaven together. I love you.

The Work Continues ...

Despite the current pandemic, God's work continues to progress. We are supporting a number of good works that are still moving forward and need our prayers and support. You heard recently about Mountain States Children's Home and their need for support. The work in Bratislava has lost some support due to the pandemic and the exchange rate but continues to reach out to the community with the gospel. The work in Cuernavaca, Mexico is continuing. They were quarantined and worked on plans to reach out once it was lifted, which has now happened. Also, the Guyana medical/mission trip that was scheduled for the fall has been canceled and is now rescheduled for Spring 2021. Lastly, the Volpitta's recently had a baby and received some welcome news about their finances as they continue to spread the gospel in West Seattle. Please keep all of these works in your prayers and consider supporting them financially, if you are able. May their dedication spur us all on to love and good works, especially in these unprecedented times. (Hebrews 10:25).
