Improving the Church

Like any functioning being, the church has room for improvement. Consider the following suggestions:

- Tell yourself that since you are not perfect, you would not fit into a perfect church.
- Pick out the sincere, dedicated, spiritual members and thank God for them.
- Whether you are old or young, treat the young with the consideration you desired as a young person, and treat the older with the respect you will want when you are older.
- Never, never blame others for your own failures. Every individual can be fruitful in spite of the bad examples and discouraging attitudes of others.

- Remind yourself every day that the only way to improve the church is to begin with yourself.
- Strive to increase your associates in the church.
- When you are tempted to criticize others, pray for them FAST. This may not only change them, but it will do wonders for your attitude.
- Ask yourself, "Am I part of the problem or part of the solution?"

ARE YOU HELPING OR HURTING THE CHURCH?

Family News

Children's Tuesdays at the Park: This week will be at Playground by the Sound Park, 4952 Grandview Dr. W in University Place. Please pack a lunch and plan to meet at 11:00 a.m.

Change-A-Life: Please finish filling your change cans for Mountain States Children's Home and **return them to the church building TODAY.** Randy Schow will be picking up change cans sometime this coming week.

School Supplies: Once again, we are collecting school supplies to donate to the children in need at Meeker Elementary School. Please put your items in the box by the back double doors in the fellowship hall.

VBS Follow-up: Please see Debbie Johnson or Shannon Dacca for the names and addresses if you would like to send cards to the visiting families that attended our Vacation Bible School.

Family News (cont'd)

New Building Update: Rest assured that many details and necessary steps in the building process have been moving right along. Lord willing, the Puyallup Plans Examiner should approve our Conditional Use Permit (CUP) in September and then our building permits can be submitted in October. We hope to break ground in the spring of 2020. Praise God!!! Please feel free to contact John Dacca if you have any questions.

Door Locking: The parking lot side door of the building was left unlocked all night recently. Thankfully, no harm was done. However, if you are among the last to leave any gathering at the church building, please help make sure all three doors are locked and shut tight. Do not assume that someone else will take care of it...everyone else may be assuming the same thing! Let's all work together to keep our building a safe and secure place to meet and worship God.

Encouragement: Remember to pray for and encourage our new sister in Christ, Raven Williams, as she settles in back home in Arkansas. With the permission of her Aunt Tommisha and Uncle Tillman, here is Raven's contact information:

3704 Churchill Dr
Jonesboro, AR 72404
(870) 514-2615

Housewarming: Javy and Bryna would like to invite you to their housewarming Saturday, August 31st, 3:00 pm-8:00 pm. Please bring your favorites snacks and finger foods to share. Please see Bryna to RSVP or to get their address, if needed.
