The Mind of Christ is Content

The desire to get the newest, nicest, or biggest new thing permeates our society today. A phone, for example, brings temporary happiness until the next model comes out and has better features. It seems that the pursuit of more money and more/better things is an unending pursuit, and that contentment is a foreign concept

Materialism is not a new problem. The Bible is filled with warnings against the love of money and how it can lead to ultimate ruin. In contrast to materialism, Paul says, "I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living

in plenty or in want. I can do all things through him who gives me strength" (Phil. 4:11-13, NIV). Being content is not an easy thing to do in such a materialistic culture, but through thankfulness and relying on Christ we can learn what Paul learned.

If our focus is constantly on the things of the world, then our mindset will be much like that of our society. When we realize that we have an eternal inheritance in Christ that outlives the temporary things of this world, then we can have contentment as we keep our eyes on the goal of being with Jesus.

Prayer List

- ♥ Please pray for God's intervention with **the situation in Ukraine**. Pray for peace to prevail.
- ♥ There has been recent flooding across the US. Please keep all the recent flood victims in your prayers.
- ♥ **Crystal** (Ruth Bailey's niece) was recently diagnosed with stage 4 cancer which was discovered during her annual cancer check up. Crystal's doctor is presenting her case to UW to see if she is a candidate for immunotherapy, but otherwise she has been given 3 months to a year to live. Please pray for **Crystal and her children** during this difficult time.
- ♥ **Mina** (John & Ruth Bailey's daughter) tested positive for covid. Please pray for a quick recovery for Mina but also that **John & Ruth** don't catch it from her. Ruth has a history with lung cancer that puts her at a higher risk for complications.
- ♥ **Charlotte** (Ruth Bailey's aunt) had a hip replacement a couple of month ago and now seems to have nerve damage as well as swelling in her foot and blood clots in her leg. Please pray for her complete healing.
- ♥ Tammy Jackson is requesting prayers for **Arlene Luton** (a former member of Puyallup) who has been in the hospital since Tuesday. Please pray for Arlene's healing.
- ♥ **Gerry** (Chris Bartlett's sister) was released from the hospital and is having balance issues and difficulties with her left leg. Please pray for her health issues to be resolved.
- ♥ **Glenda Reiff** has lost too much weight during her cancer treatments, so the doctor has lowered the amount of medication and her treatments will now be 3 weeks apart so she has extra time to recover in between. Her treatments will continue through March. Please pray the treatments are effective in destroying the cancer.

Prayer List (cont.)

- ♥ **Georgia** (Glenda Reiff's sister) doesn't need surgery after her stroke/blood clot. She is instead on a very strong blood thinner. Please pray for her health to improve.
- ♥ **Amanda** (Glenda Reiff's niece) had an emergency c-section last week due to the cord being wrapped around the unborn baby's neck. Sadly, the baby didn't survive and now Amanda (who has heart issues) is in ICU. Please pray for her recovery and for **her and the family** during their time of grief.
- ♥ **Jan Sears** (previous member at Puyallup, now at Graham) is now stable and comfortable. She will be discharged from the hospital and go into a full time care facility soon. Both Jan and Doug thank you for your prayers. Please continue to pray for Jan's health and strength for both of them .
- ♥ Jolene Bartlett is requesting prayers for her great niece, **Julia**. A large lump has been found in Julia's neck below her ear. Please pray for a favorable outcome.
- ♥ Praise God! **Jeff & Cindy Oden** have closed on a new house which will give them the room needed for their catering business. Please pray for the sale of their current house.
- ♥ **Susan Fahnstrom** has another UTI due to kidney stones. Please pray that the new antibiotic will quickly relief her pain and cure the infection.
- ♥ **Alan Whitaker's** cut on his leg (work related injury) is still infected. The infection hasn't healed all the way yet so his doctor will be reassessing this Tuesday. Please pray for the infection and cut to heal properly and Alan can return back to work soon. Alan and Kristi appreciate all the prayers.
- ♥ Sue Pedersen is requesting prayers for her son **Jeremy**, who has been without insulin. He won't be able to see the doctor until Aug. 23rd. He also has an infection on his foot. Please pray he is able to get some insulin soon and for his foot to healing properly.
- ♥ Please continue to pray for **Esther Kile** as she continues her chemo treatments.
- ♥ **Melody's** (JP Charpentier's sister) cancer battle has taken a turn for the worst. Please pray for **her and the family** at this time.
- ♥ **Healthy Babies and Mothers:** Carla Gleim
