God's Idea for the Church

The church was God's idea and of God's making. It has a divine origin. Jesus said He would build His church (Matthew 16:18). Jesus purchased the church with His blood (Acts 20:28). Jesus is the head, and the church is His body (Ephesians 1:22-23). Jesus is the Savior of His body (Ephesians 5:23).

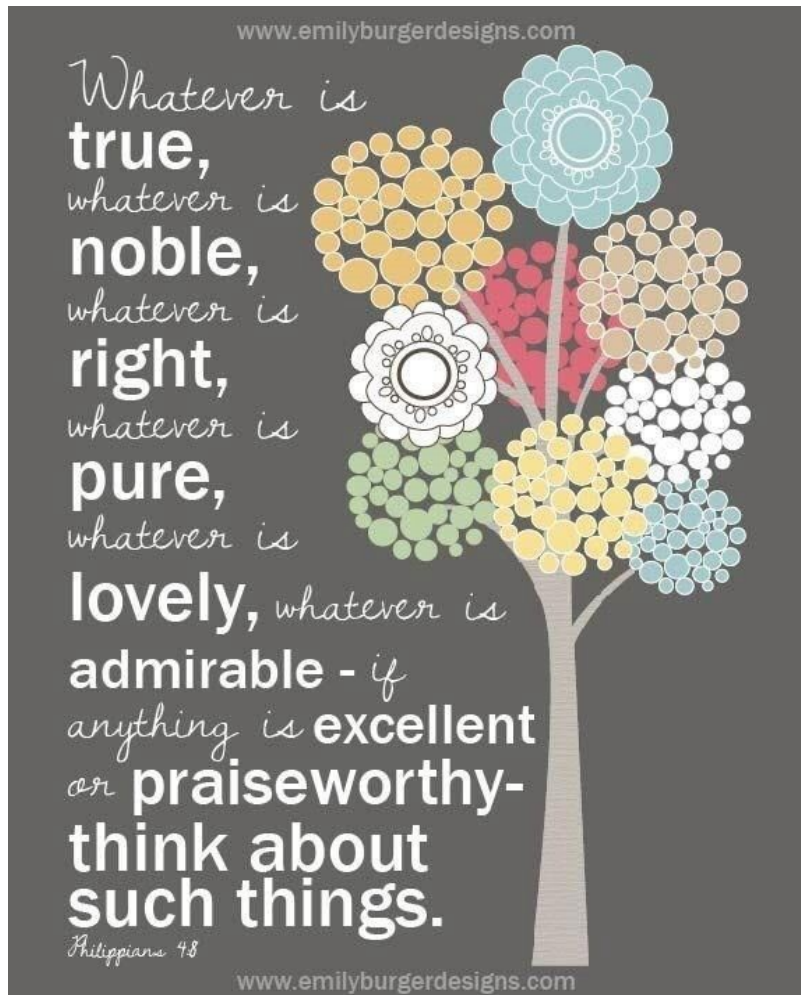

The church is a divine body (family or kingdom) yet made up of fallible people. While the human aspect may disappoint, one cannot fault the divine design God created in the church. The church as God designed it is flawless.

Sadly, some mistake the divine design for a human body or church of their own making. Not knowing or accepting the Scripture, they produce a counterfeit

body that looks a little like the church of the New Testament. Rather than asking what pleases the Lord, they follow their own ways.

The true church belongs to Jesus, the head, who has all authority. Our task is to bow our knees to Him rather than think He should grant our whims. Compare Scripture to what the assembly you attend believes and practices. If there is a difference, follow the Lord's Way and leave the human ways.
