

spoken, the prayer time omitted, and the occasional fleshly pleasure indulges—these things “spoil” the vineyard much more than we realize. If Satan gets an entering wedge on inconsistency, the leverage he then exerts is greatly increased.

Pie Sing: Pie Sing, Saturday, November 16th, 6:00 pm at the building. What is a pie sing? It's a time for fellowship, singing and delicious pie! The idea is to learn new songs and reacquaint ourselves with some old favorites we don't sing as often as we once did. Several of our song leaders will lead us, teach us and correct us as we get familiar with songs some of us know, and many of us don't. After our singing lesson, we'll take a time out to dive into some great, homemade pies and fellowship. Please bring a pie or two to share, your singing voices and excitement to learn something new that we can use to add to our worship time to God.

***Be sure and eat dinner first as this will only be dessert. Coffee and water will be provided.**

Contact Bill or Leslie Staggs for more clarification or information.

DBCC Work Day: Delano Bay Christian Camp will be having a work day Saturday, November 23rd 9:00 am-3:00 pm. We have several truckloads of gravel that will need to be spread. Also, there is work to be done on Bamboo cabin Please see Gene McCaul if you are interested in helping.

Baby Bank: Hopefully you've seen the announcement for the Baby Bank we are starting over the last few weeks. We are now ready to kick it off with a Diaper Drive beginning immediately. We need all sizes of diapers (Newborn - size 6) as well as all sizes of Pull-Ups/Training Pants, wipes and quart size plastic baggies. You may start bringing these items immediately and leave them by the back doors. If you have questions or need any clarification contact Ashley-Sue Vizguerra or Kristi Whitaker.

Men's Leadership Workshop: This November, there will be a leadership workshop for men who serve during our worship assemblies. This workshop is designed to provide useful information on how to better serve during these assemblies, as well as give an opportunity for feedback and suggestions from you. So that every male member has the opportunity to participate, there are three identical sessions planned: November 9, 16, & 23. You are certainly free to attend as many as you like, but the elders are asking for your attendance and participation in at least ONE of these sessions in order to continue to serve in the Lord's Day assemblies. The workshop will cover song leading, praying, Scripture reading, heading and serving the communion, and preaching. A sign-up sheet will be posted in the foyer, or you may contact Bob Sallee. Thank you in advance for your participation in these very important sessions.
