Giving that Feels Good

"Someone had said there are three kinds of givers – the flint, the sponge, and the honeycomb. To get anything out of a flint you must hammer it, and then you get only chips and sparks. To get water out of a sponge you must squeeze it, and the more you use pressure, the more you will get. But the honeycomb just overflows with its own sweetness. Which kind of giver are you?"

- Wesley Hazel, *Beyond the Tithe*

Everything we possess, see, and understand in this world actually belongs to God because He is the Creator and Sustainer of all things. Were it not for Him, nothing which exists, including ourselves, would exist. **"The earth is the LORD's, and all its fullness, the world and those who dwell there**

in" (Psalm 24:1). The things we control and possess is only because God has allowed us to have control of them – homes, cars, money, etc.

Stewardship is the term for this principle of God allowing man to control the things that belong to Him. We are stewards of the creation of the Lord. We must use wisely the things that our Lord has placed in our control. And just as importantly, to NOT use the things the Lord has given us is just as wrong as to misuse those things.

Haggai records the words of the LORD, "The silver is Mine, and the gold is Mine," says the LORD of Hosts" (2:8). Open your wallet, open your bank accounts, open your portfolios. Before you say "This is mine," say "This is the LORD's!" Stewardship is not doing something for God with my money. The biblical idea of stewardship is doing something for others with God's money.

Come, let us learn and grow together.
