Trusting and Saving Faith

"But without faith it is impossible to please Him..."

- Hebrews 11:6

Faith is a simple word that defies a simple definition when referring to biblical faith. It involves so much more than mere intellectual assent. It is more than a mental exercise.

- Faith is placing complete trust in God when it seems like your world is falling apart.
- Faith is obeying God even when we do not understand what/why He has commanded.
- Faith is turning everything (yes, everything!!) over to Him when we want to take control.
- Faith believes that God can change our life, as well as the lives of others.
- Faith believes that He is in charge, and that He can fix what we cannot.
- Faith is submitting your will to His will... ALL OF THE TIME.

- Faith leads us to honor and glorify Him during each and every season of life.

As you can see, biblical faith requires us to TRUST God even when we have no idea what He is doing. Merely believing in God is not saving faith (James 2:19). Saving faith trusts God and the vicarious sacrifice of His Son, our Savior Jesus Christ, to forgive our sins and wash us thoroughly and completely of every stain.

Trust Him today and every day. Relinquish control. Obey Him. Follow Him. Submit to Him. Love Him.
